STORYBOARDING

You need to bring together the narrative you've written with the flow, highlights, images, diagrams, videos and other components of your formal presentation.

1. literally shuffling cards

For each idea or collection of points, you'll need a slide.

Use the communication4hackers (or build your own) template and start writing slides.

2. visualize the flow

Once you have enough of the slides, you can start to see where the presentation pace is coming out and what you'll need to do to ensure that the flow makes sense. Put down the slides for your most important points and treat them as fixed, flow the rest of your presentation around them.
